Unit # 1: Getting to know yourself **Name:_____**

REFELCTION: Parent/Gaurdian Interview **Section:_____**

It is time to interview your parents to find out more about their line of work. Records your answers below.

1. How do your parents and those around you view work/education?

2. What kind of work do your parents/guardians do?

3. How did they get into this line of work?

4. Did your family or others influence them in this decision?

5. If they are in charge of a department/group/unit, how many people work for them?
   Or
   If they are part of a department/group/unit, how many co-workers are in their group?

6. What are their hours of work each day or week? And what is the number of weeks of vacation per year?

7. What do they like most and least about their jobs?

8. Would they be happy if you went to the same job with the same employer? Why? Why not?

9. What kind of work would they do if they could do something completely different?

10. In a debate between job satisfaction and money, which side would they choose and why?
